

Becerril Jose

Mexico, Queretaro

Vocalize (Tlazo 47)

About the artist

He studied piano in Mexico City at Escuela Nacional de Música, and later Electronic Engineering at Universidad La Salle. He was a pupil of Eva del Carmen Medina Amezcuia and lessons with Carlos Vazquez, he has composed music for Chamber Orchestra, Choir, Arias, Piano, String Quartet, Trio, Duet. Zazanilia is a nahuatl word that means to tell nice stories, to tell fables, to enjoy the moment. There is no need to define a new Musical form for this movement, but yet, by using known styles let's make the content by different meanings, to describe a place, a pupet, a moment, an art work, anything that make us enjoy that special moment, despite, the nature of musical perception itself remains imperfectly understood.
