

Amedéo Bérézet

Composer

About the artist

Classically trained on the piano from an early age, and blessed with absolute pitch, the composer's prodigious talents blossomed through performances, some earning regional prizes. His turn toward composition developed later, although the composer wrote music when still a child. Now, as composing is in constant flux, he absorbs influences voraciously; and hopes to continue exploiting his talents as a freelance composer.

Qualification: Collegiate, advanced
