[Jessie J]

You got me loosing my mind
My heart beats out of time
I'm seeing Hollywood stars
You stroke me like a guitar

I can taste the tension
like a cloud of smoke in the air
Now I'm breathing like
I'm running cause you're taking me there
Don't you know...you spin me out of control

Ooh ooh ooh

[Chorus]

We can do this all night
Turn this club, skin tight
Baby come on
Pull me like a bass drum
Sparkin' up a rhythm
Baby, come on!

Ooh ooh ooh ooh

Rock my world into the sunlight
Make this dream the best I've ever known
Dirty dancing in the moonlight
Take me down like I'm a domino

Every second is a highlight
When we touch don't ever let me go
Dirty dancing in the moonlight
Take me down like I'm a domino
